

**\*\* GOLD STAR REVIEW \*\***

***The Adventures of Peter Rabbit***

**Ellen's review**

I loved it! Theatre West never disappoints! Another super cute and entertaining play that my five year old niece and nephew enjoyed tremendously. My niece is super shy and normally would never engage with people she doesn't know, but she was having such a great time she ended up on stage dancing with the characters. It's like having a play in your living room. Wonderful!!! Highly recommend!!!
